

The dashboard visualizes the total assets in US Billion (Us B) for 20 countries across four quarters. The data is presented as a horizontal bar chart with a dark background. The x-axis represents 'Total Assets Us B' with a scale from 0K to 20K. The y-axis lists the countries. The chart is divided into four sections corresponding to the quarters: Q4 2015 (December), Q2 2016 (June), Q3 2017 (September), and Q4 2017 (December). The bars are color-coded by country, as shown in the legend on the right. The 'Format Shading' panel on the left allows for customization of the chart's appearance, including background color, font, and shading. The 'Columns' shelf at the top shows the dimensions used in the chart: YEAR(Balance Sheet), QUARTER(Balance Sheet), MONTH(Balance Sheet), and SUM(Total Assets Us B).
